About the Mattress

- Each camping cot comes with a mattress—a soft, removable pad designed for added comfort and warmth during sleep.
- The mattress is vacuum-packed and will regain its full fluffiness naturally after approximately three hours of unpacking. For an even fluffier mattress, we recommend patting and fluffing it before use.
- Due to its thickness, the mattress cannot fit inside the carrying bag with the cot and should be removed and stored separately in our special bag for mattress.
- It is advised to wash the mattress by hand and allow it to air dry; do not machine wash.
