ASSEMBLY INSTRUCTIONS

01

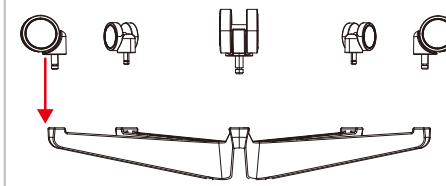

Connect the five legs to the five-star base, insert screws D and fix them with the Allen Wrench.

02

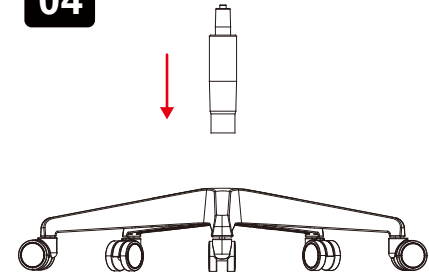

Cover the base slot cover onto the five-star base.

03

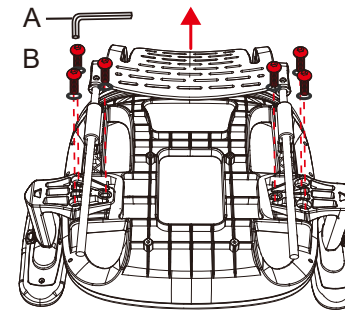

Insert the five casters into the chair legs that were installed in step1 respectively.

04

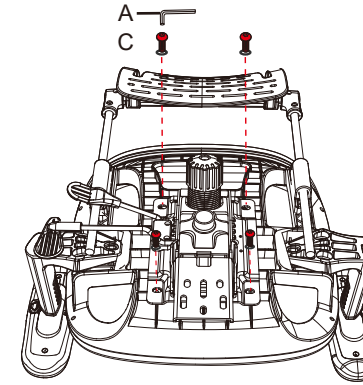

Insert the gas lift into the 5-star base.

05

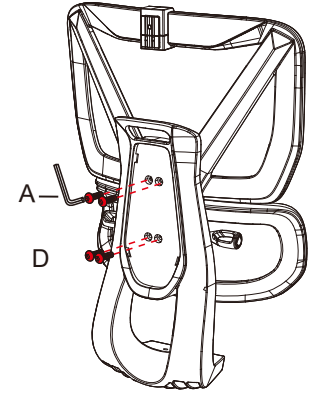

Attach the left (L) and right (R) armrests to the seat cushion using Screws B and Washers. Align all three mounting holes before installation.

06

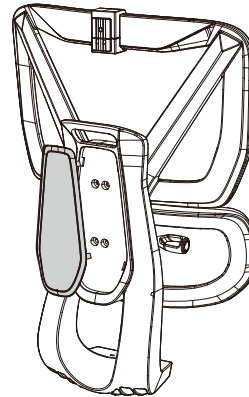

Attach the seat mechanism to the underside of the seat cushion using Screws C and Washers. Tighten with the Allen Wrench.

07

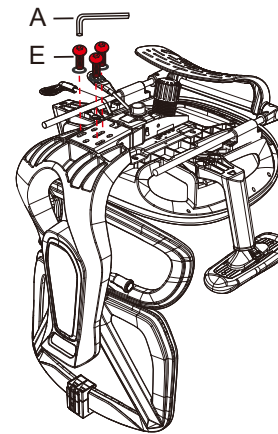

Attach the back frame to the backrest using Screws D. Tighten securely with the Allen Wrench.

08

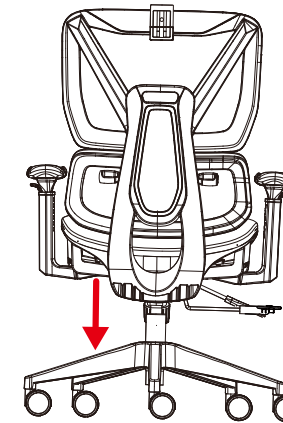

Install the decorative back cover onto the back frame.

09

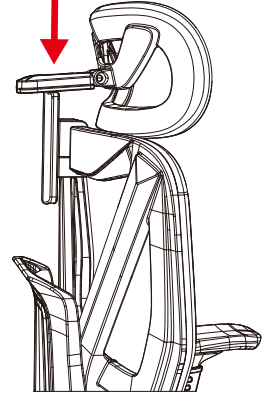

Slide the backrest into the seat mechanism until all three mounting holes are aligned. Secure it using Screws E with Washers and the Allen Wrench.

10

Carefully place the assembled chair onto the gas lift and press down firmly to secure it.

11

Insert the headrest into the bracket on the backrest until secure.
